GRAND MORA

HIGH QUALITY SWITCH & SOCKET

Guarantee 25 Years

Guarantee 25 Years

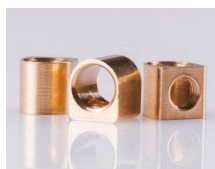

PRODUCT FEATURES

Ultrathin-fashion appearance, qualified imported material offers a durable service.

Safe structure of steel, strong and firm for installation, increase the service life period.

Oversized connection hole makes a bigger wiring space, which is easy for wireman operation.

High quality compound silver contact, which has more power resistance to the fusion welding and arc erosion.

All punched molding by 0.6mm bronze, let users feel safty and rest assured.

Ingenuity craftsmanship excellent quality

Color: White

Product Name: **1 Way Switch**
Spec: 16A/250V

Product Name: **2 way switch**
Spec: 16A/250V

Product Name: **1 way switch - flat**
Spec: 16A/250V

Product Name: **2way switch - flat**
Spec: 16A/250V

Product Name: **small door bell switch**
Spec: 16A/250V

Product Name: **2 pole socket**
Spec: 16A/250V

Product Name: **4 way switch
(Intermediary switch)**
Spec: 16A/250V

Product Name: **20A switch**
Spec: 20A/250V

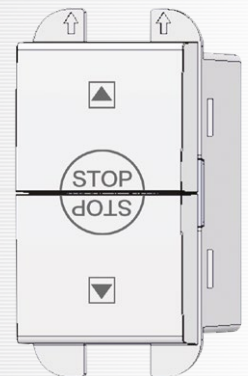

Product Name: **USB socket**
Spec: 5V/1.0A

Product Name: **Fan regulator**
Spec: 250W/250V

Product Name: **Light dimmer**
Spec: 630W/250V

Product Name: **Shutter switch**
Spec: 10A/250V

Ingenuity craftsmanship excellent quality

Color: White

Product Name: **Double switch**
Spec: 16A/250V

Product Name: **Double switch - flat**
Spec: 16A/250V

Product Name: **2 pin small round socket**
Spec: 10A/250V

Product Name: **Internet socket**

Product Name: **Telephone socket**

Product Name: **Satellite socket**

Product Name: **Blank panel - 24mm**

Product Name: **Blank panel - 12mm**

Product Name: **big door bell switch**
Spec: 16A/250V

Product Name: **Volume switch**
Spec: 5W/7V

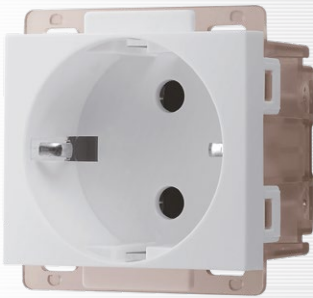

Product Name: **Audio/Video outlet**
